

Activate Your Gifts & Shine Audio Companion Book
By Lisa DePamphilis

There are 7 elements that help you activate your gifts so you can feel fully expressed and shine brightly in the world. Listen to the audio and write your answers below.

1. Your Calling - You have a unique Purpose.

Problem:

Questions:

- What is your unique purpose?
- What have your life experiences offered to you for the wisdom you're here to share with others?

The Solution:

2. Clarity - Discover your soul-aligned message.

Problem:

Questions:

- What feels outdated or out of alignment in your brand message, your offers or your pricing?
- Where are you still holding on to the old paradigm that isn't working anymore?

Solution:

3. **Client** - *Understanding your dream client is essential so you can serve in your highest capacity to impact the world.*

Problem:

Questions:

- What information do you feel like you're missing about your dream client?
- What more do you need to know about them so you know them better than they know themselves?

Solution:

4. **Conviction** - *Align to Your full expression, the absolute authentic you, as you create or realign your branding in the higher frequency.*

Problem:

Questions:

- Where are you hiding or not fully expressing your truth in your business?
- Where do you feel like you are not experiencing the joy, freedom and abundance that is yours to have as you do your soul work?

Solution:

5. **Commitment** - *Stay the course, get visible and show up with complete confidence.*

Problem:

Questions:

- How does it show up in your business when you experience a lack of commitment or ability to show up with confidence?
- What is your biggest confidence block?

Solution:

6. **Connection** - *You are not alone nor are you meant to work in your business alone.*

Problem:

Questions:

- What old ways of doing business are not in alignment now for you?
- What fears or shadow aspects need to be transmuted so you can move forward?

Solution:

7. **Creativity** - *Ground into Mother Earth and integrate through the many facets of creativity.*

Problem:

Questions:

- How does the hustle and halt currently hinder your results in your business?
- How many times have you wanted to play with something creative but instead felt you needed to push yourself on a project to get better results?
- If you don't play, what is preventing you?
